16. **M**: Kate, can you lend me the book?
W: Which book? You mean the one that I talked to you about last night?
M: Yes, I am interested in animals. I want to spend some time reading it when I am free. And I can choose animals as my science report topic.
W: Sure. I will bring it to you tomorrow.
Q: Which is NOT sure?

17. **M**: The restaurant looks so nice. A lot of people take pictures and show them on Instagram. Maybe we can have lunch tomorrow.
W: Sure. Oh no… Take a look at the notice on the door. The restaurant is open every day except Tuesday. Let's come back on Wednesday.
M: All right.
Q: What day is today?

18. **M**: How was your trip to France?
W: Well, most of the time was good except having meals.
M: Having meals? But I heard the food there is delicious.
W: The food is OK for me. The problem is French people enjoy a good meal, and that's why they have around two hours for their lunch break. It is tiring for me to have such a long meal with my French

friend there. In Taiwan, I usually have lunch less than 30 minutes.
Q: What can we know from the dialogue?

19. **W:** Guess what? I just saw the singer *Lina Park* at the convenience store!
M: Well, she lives nearby, so it's not that surprising.
W: But she was well dressed and buying a big bag of vegetables. I didn't know she cooks by herself!
M: Oh, that's common knowledge. She often posts her cooking videos on her social media.
W: Wow, I must have missed those videos!
Q: Which is true according to the dialogue?

20.

M：Good night, concert guests. Because of the large number of people leaving the gym, the MRT station near the west gate is now full. To keep everyone safe, please move to the south gate. Trains on the Blue Line will arrive every five minutes, but some trains may pass without stopping because they are filled with people. If you are going to Banqiao Night Market, please take Gate 3 after entering the station. Company members are already there to lead you. Again, please walk slowly and follow the signs. Remember not to push those people around you. Thank you for your waiting and understanding.
