Get ready to cheer for Taiwan! On November 24, 2024, Taiwan's baseball team did something amazing: they won the Premier12 championship! They played against Japan in the final game and won with a score of 4-0. This win was special because it stopped Japan's long winning in international games – they had won 27 games in a row! This was Taiwan's first time ever winning the Premier12!

This victory was really important for Taiwan because the last time they won against Japan was at the 1992 Barcelona Olympics, way back then! Now, in 2024, Taiwan is on top of the Premier12, making everyone in Taiwan super excited.

Taiwan scored all four of their runs in the fifth inning with two big home runs. Lin Chia-Cheng hit a home run all by himself, scoring the first run and everyone was very excited. Then, the team leader, Chen Chieh-Hsien, hit a home run with three runs, making the fans go crazy!

Dear Diary,

**b** School was really hard today. There is a boy named Jake. He usually makes others feel bad. I saw him do it to Sarah and Michael. Sarah enjoys drawing and Michael loves reading books. Jake said mean things about Sarah's pictures and bullied Michael in front of the classroom, laughing with his friends. It's not just at school, sometimes, I hear about mean words from him online.

**d** Sarah used to love art class before, but now she doesn't want to go. She doesn't even touch her pencil anymore. And Michael can't read his stories happily because he's always worried. I can see how sad they feel.

**a** The strange thing is, Jake isn't always mean. Sometimes, he is nice, but then he turns around and spreads rumors or laughs at people when they aren't looking. I wonder if he has any trouble of his own, something that makes him act this way. Maybe he doesn't even know how much he's hurting others.

**e** But today, something different happened. Sarah, with tears in her eyes, finally told Ms. Evans what was going on. Michael saw how brave she was and decided to talk to Ms. Evans, too. Ms. Evans listened carefully and promised to help. Ms. Evans told them that they weren't alone, and they will be safe at school.

**c** I think things might get better. Maybe Jake will finally understand how much he hurts people. Maybe Sarah and Michael will feel free again – free to draw, free to read, free to be themselves. I really hope so.

For the first time in a long time, it feels like the bad things from bullying are starting to go away. And in their place, there's something better: kindness, understanding, and hope.
