Recipient: Teresa

Subject: What should I do?

Dear Teresa,

Have you heard the song "Something Just Like This"? The lyrics say:

*"I've been reading books of old
The legends and the myths
Achilles and his gold
Hercules and his gifts
Spider-Man's control
And Batman with his fists
And clearly I don't see myself upon that list."*

My parents always tell me to study hard, choose a good high school, go to a better college, and then I will have a better future. However, I have neither Achilles' gold nor Hercules' gifts. I don't have Spider-Man's control, either. I'm just a common boy. I don't understand why they always ask me to do things beyond my level. So, we had a serious fight yesterday. I want to choose a vocational school, but they wish I could go to high school. I know I'm not good at studying, and I will fail some courses in high school. That's why I decide to go to vocational school. Besides, I enjoy making handmade items in class. Mr. Andrew said the chair I spent three weeks making was a wonderful piece of work. My parents always say they respect my choice, and now I want to follow my heart, but they don't want to listen to me. What should I do? Could you give me some advice?

Thank you so much for your help!

52. What do we know from the reading?

正解為 (A) Mr. Andrew really likes Andy's work.

29.40% 誤選誘答項 (C) Andy wants to control his life, and his parrent support him.
